MANAGEMENT INFORMATION CIRCULAR

(Containing information as at March 27, 2015 unless otherwise noted)

THE MEETING

This Management Information Circular (this “**Circular**”) is being sent to you as a holder of common shares (the “**Shares**”) of The Second Cup Ltd. (the “**Corporation**”) in connection with the annual general meeting of shareholders of the Corporation (“**Shareholders**”) to be held on May 7, 2015 (the “**Meeting**”).

Date, Time and Place of the Meeting

The Meeting is to be held at St. Andrew’s Club & Conference Centre, 150 King Street West, 27th Floor, Toronto, Ontario, M5H 1J9, at **[9:00 a.m.]** (Toronto time) on May 7, 2015.

Record Date and Quorum

The directors of the Corporation (“**Directors**”) have fixed March 27, 2015, as the record date (the “**Record Date**”) for the Meeting. A quorum for the Meeting consists of two or more individuals present in person either holding personally or representing by proxy not less in aggregate than 10% of the votes attached to all outstanding Shares.

Solicitation of Proxies

This Circular is furnished in connection with the solicitation of proxies by management of the Corporation, for use at the Meeting and at any adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting. The Corporation may pay investment dealers or other service providers for their reasonable expenses for sending this Circular and other Meeting materials to Shareholders and obtaining voting instructions and/or proxies. It is expected that the solicitation of proxies for the Meeting will be primarily by mail, but proxies may also be solicited by telephone or personally by regular employees of the Corporation at nominal cost. The cost of solicitation will be borne by the Corporation.

The Corporation is using notice-and-access to send the Notice of Meeting, this Circular, the audited financial statements of the Corporation for the year ended December 27, 2014 and the corresponding management discussion and analysis (collectively the “**Proxy-Related Materials**”) to registered and non-registered holders of Shares. Under the notice-and-access method, registered and non-registered holders of Shares will be sent a notice package (the “**Notice Package**”) explaining, among other things, how to access the Proxy-Related Materials and containing a form of proxy or voting instruction form, as applicable.

The Proxy-Related Materials are available electronically for download by Shareholders under the Corporation’s profile on SEDAR at www.sedar.com or on the Corporation’s website at www.secondcup.com. A paper copy of the Proxy-Related Materials may be requested by phone at 1-877-212-1818. For all requests received prior to 4:00 p.m. (Toronto time) on May 6, 2015, a paper copy of the Proxy-Related Materials will be sent by first class mail, courier or similar delivery method within three (3) business days of receipt of the request. For all requests received after May 6, 2015, a paper copy of the Proxy-Related Materials will be sent by prepaid mail, courier or similar delivery method within ten (10) calendar days of receipt of the request. The Corporation is not sending Proxy-Relating materials directly to Non-Registered Holders of Shares who have not objected to intermediaries disclosing their beneficial ownership information.

Appointment and Revocation of Proxies

An instrument appointing a proxy must be in writing and either substantially in a form approved by the Directors acting reasonably or as may be satisfactory to the chair of the Meeting. Forms of proxy must be executed on behalf of the registered Shareholder by a person duly authorized in writing. The individuals named in the enclosed

form of proxy are officers of the Corporation. **A registered Shareholder may appoint some other person, who need not be a Shareholder, to represent him or her at the Meeting.** In order to do so, the registered Shareholder must insert such other person's name in the blank space provided in the form of proxy and strike out the names of the nominees referred to, or complete another proper form of proxy and, in either case, deposit the completed proxy at the office of the transfer agent indicated on the enclosed envelope not later than 5:00 p.m. (Toronto time) on the second last business day (which excludes Saturdays, Sundays and statutory holidays in Toronto) before the date of the Meeting (or any adjournment or postponement thereof).

A proxy given pursuant to this solicitation may be revoked by instrument in writing, including another proxy bearing a later date, executed by the registered Shareholder or by its attorney authorized in writing, and by depositing such instrument at the office of the transfer agent indicated on the enclosed envelope not later than 5:00 p.m. (Toronto time) on the last business day (which excludes Saturdays, Sundays and statutory holidays in Toronto) before the date of the Meeting (or any adjournment or postponement thereof), or in any other manner permitted by law. However, the revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

Voting of Proxies

Shares represented by a properly executed proxy will be voted or withheld from voting on any ballot that may be conducted at the Meeting or at any adjournment or postponement of the Meeting in accordance with the instructions of the registered Shareholder indicated on the proxy, and if the registered Shareholder specifies a choice with respect to a matter to be acted on, those Shares will be voted accordingly. In the absence of instructions, those Shares will be voted "FOR" each of the matters referred to in the form of proxy. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting, or other matters which may properly come before the Meeting. At the time of the printing of this Circular, the Directors know of no such amendments, variations or other matters to come before the Meeting. Should such matters arise, the persons named in the enclosed form of proxy will vote in accordance with their judgment on such matters or business.

VOTING OF SHARES — INFORMATION FOR BENEFICIAL SHAREHOLDERS

Shareholders who are not registered Shareholders (referred to in this Circular as "**Beneficial Shareholders**") should note that only proxies deposited by registered Shareholders on the Record Date (being those whose names appear on the records of the Corporation as the registered holders of Shares on March 27, 2015) can be recognized and acted upon at the Meeting. Currently, all issued and outstanding Shares are held in "book-entry only" form under a system administered by CDS Clearing and Depository Services Inc. ("**CDS**"), and all Shares are currently registered under the name of CDS & Co., as nominee of CDS. Accordingly, all Shareholders other than CDS must provide voting instructions in the manner described in the voting instruction form provided by their Intermediary (as defined below) and in this Circular. Beneficial Shareholders cannot vote at the Meeting by completing and depositing a form of proxy as a registered Shareholder.

Typically, Beneficial Shareholders will receive a voting instruction form or other similar document with this Circular from their broker or other intermediary holding Shares on their behalf ("Intermediary"). This form allows you to provide voting instructions with respect to your Shares. The voting instruction form is similar to the form of proxy provided to a registered Shareholder. However, its purpose is limited to instructing a registered Shareholder (in this case, CDS) how to vote on your behalf. Intermediaries will typically make arrangements that will allow you to provide voting instructions by completing and returning a voting instruction form by mail or facsimile, calling a toll-free telephone number (1-800-474-7493 or 1-800-474-7501 (French)) or by using the internet at www.proxyvote.com. You should carefully follow the directions provided to you in order to ensure that your Shares are voted at the Meeting. Your Shares will not be voted without your instructions.

Please note that Beneficial Shareholders seeking to attend the Meeting (or to appoint another person to vote or attend on their behalf) will not be recognized at the Meeting for the purpose of voting Shares unless the Beneficial Shareholder provides instructions to appoint himself or herself (or such other person) as a proxyholder. In order to do this, the individual should follow the instructions on the voting instruction form regarding the manner in which voting instructions are to be provided and, in doing so, specify that individual's own name (or such person's name) as the person to be appointed as proxyholder for the purposes of voting his or her Shares. For instance, if "David Jones" is a

Beneficial Shareholder and he wishes to be appointed as a proxyholder, in the voting instruction form he receives with this Circular, he should insert the name “David Jones” in the space provided and follow the other procedures specified on the form for appointing a proxyholder other than one of the individuals specified on the form.

All Beneficial Shareholders should communicate their voting instructions in accordance with directions received from the Intermediary holding Shares on their behalf well in advance of the deadline for the receipt of proxies of 5:00 p.m. (Toronto time) on Tuesday, May 5, 2015 in order to allow their instructions to be processed before the deadline.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

As at the date hereof, the Corporation has 12,830,945 Shares issued and outstanding, each of which entitles the holder to one vote per Share. Each holder of Shares of record at the close of business on the Record Date will be entitled to one vote for each Share held on all matters proposed to come before the Meeting.

As at the date hereof, to the knowledge of the Directors, Mr. Paul D. Phelan beneficially owns, directly or indirectly, or control or direct voting securities of the Corporation carrying 10% or more of the voting rights attached to any class of voting securities of the Corporation. Based on information publicly filed with applicable securities regulatory authorities, as of the date hereof, Mr. Phelan owns or exercises control over 2,908,400 Shares, representing approximately 23% of the issued and outstanding Shares.

ANNUAL GENERAL MEETING BUSINESS

Financial Statements

The audited financial statements of the Corporation, for the year ended December 27, 2014 are included in the 2014 annual report of the Corporation, which has been posted on SEDAR at www.sedar.com and on the Corporation’s website at www.seconcup.com and is available upon request.

Election of Directors

In accordance with the Corporation’s articles of arrangement, the Corporation must have a minimum of three Directors and a maximum of ten Directors. Currently, the number of Directors is six.

At the Meeting, Shareholders will be asked to elect as Directors the six individuals named below (the “**Nominees**”). The Directors adopted a policy to permit Shareholders to vote on individual Directors at general meetings of Shareholders such as the Meeting. All six of the Nominees are current Directors. Each Director will hold office until the close of the next annual meeting of the Shareholders or until such Director resigns, is removed, or ceases to be qualified to act as a Director.

On March 22, 2013, the Board of Directors adopted a majority voting policy (the “**Majority Voting Policy**”). The Majority Voting Policy provides that in an uncontested election of Directors, any nominee who receives a greater number of votes “withheld” than votes “for” will promptly following the relevant shareholder meeting tender a resignation to the Board of Directors, such resignation to take effect on acceptance by the Board of Directors. The Governance, Human Resources and Compensation Committee (the “**Governance Committee**”) will consider the offer of resignation and recommend to the Board of Directors whether or not to accept it. The Board will make its decision and announce it in a press release within 90 days following such meeting, including the reasons for rejecting the resignation, if applicable. A Director who tenders a resignation pursuant to this policy will not participate in any meeting of the Board or the Governance Committee at which the resignation is considered.

On March 22, 2013, the Board of Directors adopted an advance notice policy (the “**Advance Notice Policy**”) for the purpose of providing Shareholders, Directors and management of the Corporation with a transparent, structured and fair process for nominating Directors of the Corporation in connection with any annual or special meeting of Shareholders. A copy of the Advance Notice Policy is attached as Appendix B to the Corporation’s Management Information Circular in respect of the meeting of Shareholders held on May 7, 2015, which is on SEDAR at www.sedar.com.

The table below provides the names of the Nominees, the municipality in which he or she is ordinarily resident, all offices of the Corporation now held by him or her, his or her principal occupation, the period of time for which he or she has been a Director of the Corporation and the number of Shares beneficially owned by him or her, directly or indirectly, or which he or she controls or directs, as at the date hereof. Each Nominee has established his or her eligibility and willingness to serve as a Director. If, prior to the Meeting, any of the listed Nominees should become unavailable to serve as a Director, the persons designated in the form of proxy will have the right to use their discretion in voting for a properly qualified substitute.

The management representatives designated in the enclosed form of proxy intend to vote FOR the election of each of the Nominees whose names are set forth below.

Director Share Ownership, Position, and Principal Occupation

In accordance with share ownership guidelines adopted effective as of January 1, 2011, each Director is required to own such number of Shares and/or Deferred Share Units of the Corporation that has an aggregate purchase price or deemed issue price, as applicable, equal to or greater than three (3) times the amount of the such Director's previous year's annual retainer calculated at the date of the Corporation's fiscal year end. Each Director is strongly encouraged to meet the required ownership level within five (5) years from the later of January 1, 2011 or the date such individual became a Director. The Chairman of the Board of Directors may grant an exception to these ownership guidelines in rare instances where they would place a severe hardship on a Director or the Director is prohibited from purchasing Shares or holding DSUs.

Summary of Board Compensation

The current annual compensation for each Director of the Corporation, other than officers, consists of a cash retainer of \$50,000, plus \$1,000 for attending each special meeting of the Board of Directors of the Corporation ("**Board of Directors**") in person and \$500 to attend special meetings of the Board of Directors by teleconference. No remuneration is received by any person for his or her role in acting as an officer of the Corporation. Each Director is reimbursed for their out-of-pocket expenses for attending meetings of the Board of Directors and meetings of the committees thereof. The chair of the Board of Directors receives additional compensation of \$250,000 per year. The chairs of the Audit Committee and the Governance Committee each receive additional compensation of \$10,000 per year.

Directors' Deferred Share Unit Plan

Effective January 1, 2011, the Board of Directors adopted a directors' deferred share unit plan (the "**DSU Plan**"). The purpose of the DSU Plan is to attract, retain and motivate Directors and to advance the interests of the Corporation by better aligning Director and Shareholder interests through grants of deferred share units (each, a "**Deferred Share Unit**" or "**DSU**").

Unless he or she elects not to participate in the DSU Plan, each Director will automatically participate in the DSU Plan (in such capacity, a "**Participant**") and will receive an award of Deferred Share Units (an "**Award**") for each fiscal year in which he or she is a Director. The Award for each fiscal year will be that number of Deferred Share Units equal to the Participant's director fees divided by the Share price on the date the Award is made. When dividends are declared by the Corporation, Participants will be credited with additional Deferred Share Units, the number of which is determined by dividing: (i) the product obtained by multiplying the amount of each dividend declared and paid by the Corporation on the Shares on a per share basis, by (ii) the Share price on the dividend payment date. Under

the DSU Plan, ‘director fees’ include the basic annual fee earned by a director of the Board and any additional annual fee earned by a Director by virtue of being the chair of the Board of Directors or the chair of a committee of the Board of Directors, but does not include meeting fees or any other fees earned by a Director. Share price is generally calculated as the volume-weighted average price of the Shares on the TSX on the five most recent preceding days on which they were traded.

A Director may elect not to participate in the DSU Plan or may elect to participate as to 50%. Where a Director elects not to participate in the DSU Plan or elects to participate as to 50%, the Director will receive cash in an amount equal to the Director’s director fees (or 50% of the director fees, as applicable).

Deferred Share Units awarded vest on the last day of the fiscal year for which they are awarded. In the event that a Participant’s Termination Date falls before the last day of such fiscal year, one-twelfth of the Deferred Share Units awarded for such fiscal year will vest for each completed month in that fiscal year prior to the Termination Date, and all remaining Deferred Share Units will be forfeited on his or her Termination Date and have no further value. All of a Participant’s vested Deferred Share Units will be settled on the first business day which falls 30 days after a Participant’s Termination Date, unless he or she elects to defer settlement to a date that is no later than December 15 of the calendar year following the Participant’s Termination Date. Upon settlement, the Corporation will pay a Participant in cash an amount equal to the Share price on the Termination Date, multiplied by the number of vested Deferred Share Units in the Participant’s account. Following receipt of such payment, the Deferred Share Units so settled expire and have no further value. No assets of the Corporation or any of its affiliates will be held in any way as collateral security for the fulfillment of the obligations of the Corporation or any of its affiliates under the DSU Plan.

In 2014, an aggregate of 39,354 DSUs were awarded to the Directors using a price of \$4.32 per unit in respect of \$170,000 of directors’ fees, in the aggregate.

EXECUTIVE AND OTHER COMPENSATION

The Governance Committee performs the function of a compensation committee for the Corporation and has the responsibility of, among other things, reviewing and making recommendations to the Board of Directors concerning the compensation of the senior management of the corporation. The Governance Committee for fiscal year 2014 consisted of Alton McEwen (chair), Michael Bregman and Alan Simpson. All members of the Governance Committee are considered “independent” in accordance with the definition set out in National Instrument 58-101 – Disclosure of Corporate Governance Practices (“**NI 58-101**”).

Having served as executives, holding positions such as Chairman, Chief Executive Officer, and President, Messrs. McEwen, Bregman and Simpson have adequate skills and experience related to making decisions on the suitability of the Corporation’s compensation policies and practices. Mr. McEwen, the current Chair of the Governance Committee, has served in a similar capacity for another publicly-listed company for a number of years, and as part of this role, has had access to relevant information regarding compensation governance and applicable market practices, including access to compensation consultants and other experts from time to time, to give the Governance Committee the tools required to make decisions relating to the suitability of the Corporation’s compensation policies and practices.

The Governance Committee is entitled to engage independent advisers if applicable.

The responsibilities of the Governance Committee include:

- the establishment of key human resources and compensation policies, including all incentive and equity based compensation plans;
- the performance evaluation of the Chief Executive Officer and the Chief Financial Officer, and determination of the compensation for the Chief Executive Officer, the Chief Financial Officer and other senior executives of the Corporation; and
- compensation of Directors.

The Governance Committee meets three times per year, or more frequently as required. The Chair of the Governance Committee reports to the Board of Directors on the Committee's operations at regularly scheduled Board meetings. The Governance Committee also reviews and approves the executive compensation disclosure to be included in the management proxy circular of the Corporation.

The Governance Committee is granted unrestricted access to information about the Corporation that is necessary or desirable to fulfill its duties and all Directors, officers and employees are directed to cooperate as requested by its members. The Governance Committee has the authority to retain, at the Corporation's expense, independent compensation consultants or other advisors to assist the Governance Committee in fulfilling its duties and responsibilities.

Compensation Discussion and Analysis

The Governance Committee's executive compensation policy is guided by the following principles:

- to attract, motivate and retain executives with the necessary experience, education and skill sets to achieve the Corporation's goals;
- to align the interests of the executives with the interests of the Shareholders; and
- to provide incentives to meet and exceed performance based goals.

The key components of senior management compensation for the 2014 fiscal year consisted of base salary, short term incentive plan / annual bonus, long term incentive plan and stock option plan. Other elements include perquisites and a voluntary group registered retirement savings program.

The Board considers implications of the risks associated with the Corporation's compensation policies and practices as part of its oversight and stewardship of the affairs of the Corporation. The Board's role in this respect includes reviewing each of the components of an executive's compensation to ensure there is an overall balance between long-term and short-term incentives commensurate with the Corporation's corporate strategy and goals.

While the Corporation has not adopted a formal prohibition, the Senior Management and the Directors are, as a matter of policy, not permitted to purchase financial instruments designed to hedge or offset a decrease in the market value of the Shares, including Shares underlying share-based compensation or otherwise held directly or indirectly by a Senior Manager or a Director.

Base Salary

Base salaries represent a fixed component of management compensation and vary by job responsibility. Senior management salaries are reviewed on an annual basis by the Governance Committee. The Governance Committee then recommends to the Board of Directors a level of salary for each member of the senior management team.

Short Term Incentive Plan/Annual Bonus

In order to link executive compensation with the Corporation's goals, management participates in a short term incentive plan ("**STIP**") under which cash awards are made, based primarily on achievement of certain corporate performance targets for the fiscal year, including the achievement of pre-tax net income targets, as well as non-financial personal objectives.

Long Term Incentive Plan

The Corporation established a long term incentive plan ("**LTIP**") in 2010, in order to allow certain members of senior management to participate in the growth and development of the Corporation by providing the opportunity to acquire an increased economic interest in the Corporation. The LTIP aligns the interest of management with the economic interests of the Shareholders, as management will be rewarded on the basis of the Share trading price and dividends paid by the Corporation. The LTIP is administered by the Governance Committee, which reviews the LTIP and makes recommendations to the Board of Directors. Under the terms of the LTIP, notional shares ("**Notional Shares**") may be granted to officers and employees of the Corporation and such Notional Shares granted vest as to

one third on each of the first, second and third occurrence of December 15th following the date of the grant of such Notional Shares (the “**Vesting Period**”) and shall expire on December 31st of the third calendar year following the date of grant.

On vesting, the holder of vested Notional Shares shall receive in respect of each Notional Share an amount of cash equal to the weighted average trading price of the Shares on the TSX for the twenty trading days immediately prior to the applicable settlement date.

In addition, during the Vesting Period, on the date that the Corporation pays dividends, each holder of Notional Shares shall be credited with an additional number of notional shares (“**Bonus Notional Shares**”) equal to the number of Notional Shares held by a participant in relation to a particular grant, multiplied by the cash dividend per Share, divided by the weighted average trading price of the Shares on the TSX for the twenty trading days immediately prior to the particular dividend date. The Bonus Notional Shares, in respect of a particular grant of Notional Shares, shall vest in the same proportion as the Notional Shares of that grant. Upon vesting the Bonus Notional Shares will be paid out in cash in the same manner as the Notional Shares.

Stock Option Plan

The Stock Option Plan is designed to promote the long-term interests of the Corporation and its Shareholders by fostering a proprietary interest in the Corporation among the directors and employees (including officers) of the Corporation. The Stock Option Plan will also be used by the Corporation to attract and retain senior management. The Stock Option plan aligns the interest of management with the economic interests of the Shareholders, as management will be rewarded on the basis of the Share trading price.

The Board of Directors adopted the Stock Option Plan on March 21, 2014. The Stock Option Plan became effective as of May 9, 2014.

Under the Stock Option Plan, Options to purchase Common Shares of the Corporation may be granted to Participants in respect of unissued Common Shares. In determining the number of Options to be granted to a Participant, consideration is given to the individual’s present and potential contribution to the success of the Corporation, based on the assessment of the CEO and Board of Directors.

Key Terms of the Stock Option Plan

The total number of Shares issuable under the Stock Option Plan is 990,304.

As of Dec 27, 2014, 535,000 options have been granted under the Stock Option Plan. The Board of Directors, may grant options to any eligible person upon the terms, conditions and limitations set forth in the Stock Option Plan. Term, Vesting and Exercise Price of Options

Unless otherwise provided in the option holder’s Grant Agreement and subject to earlier expiry in accordance with the terms of the Stock Option Plan, each option shall expire ten (10) years after the date of grant. The exercise price of the options shall be fixed at the date of grant, but in no event shall the exercise price be less than the Fair Market Value of the Shares on the date of grant. “**Fair Market Value**” means, on any particular day, the volume weighted average closing price of a Share on the Stock Exchange (as defined in the Stock Option Plan) for the five (5) preceding days on which the Shares were traded. Options shall vest in accordance with the Grant Agreement entered into in respect of the options. Where a Grant Agreement does not specify the vesting date of an option, the options shall vest in equal annual amounts on each of the first, second, third, fourth and fifth anniversaries of the date of grant.

Termination of Options

Upon an option holder's termination without cause, retirement, resignation, or failure to be re-elected as a Director of the Corporation or an affiliate, (i) the expiry date of any unvested options held by such option holder will be the option holder's Termination Date, and (ii) the expiry date of any vested options held by such option holder will be the date that is ninety (90) days after the option holder's Termination Date. "**Termination Date**" means the date on which an option holder ceases to be eligible to participate in the Stock Option Plan as a result of termination of employment with the Corporation or an affiliate for any reason.

Upon an option holder's death, (i) the expiry date of any unvested options held by such option holder will be the option holder's Termination Date, and (ii) the expiry date of any vested options held by such option holder will be the date that is one hundred and eighty (180) days after the option holder's Termination Date. Upon an option holder's termination for cause, the expiry date of all options held by such option holder (whether vested or unvested) is the option holder's Termination Date.

In the event of a Change of Control Event (as defined in the Stock Option Plan), the Board of Directors, or a committee and/or member thereof, may make such provision for the protection of the rights of the option holders as the Board of Directors, or a committee and/or member thereof, in its discretion considers appropriate in the circumstances, including, without limitation, changing the vesting date or dates for any option, changing the date on which any option expires, providing for substitute rights in the continuing entity, and permitting the conditional exercise of options in connection with a potential Change of Control Event. Notwithstanding the foregoing, in the event of the occurrence of transaction or series of transactions that, if completed, would result in (i) a Change of Control Event and (ii) the Shares no longer being listed on the Stock Exchange (as defined in the Stock Option Plan) (a "**Proposed Transaction**"), all vested and unvested options shall become exercisable prior to, and conditional upon the completion of, such Proposed Transaction.

Amendments to the Stock Option Plan

Subject to compliance with applicable stock exchange rules, Shareholder approval is required for the following amendments to the Stock Option Plan (i) any increase in the maximum number of Shares that may be issuable from treasury pursuant to options granted under the Stock Option Plan, including a change to the maximum number of Shares, other than an adjustment pursuant to a change in capitalization; (ii) any reduction in the exercise price after an option has been granted or any cancellation of an option and the substitution of that option with a new option with a reduced exercise price, except in the case of an adjustment pursuant to a change in capitalization; (iii) any extension of the expiry date of an option, except in case of an extension due to a black-out period.

Employment Agreements, Severance and Other Termination Benefits

The following employees entered into an employment agreement with the Corporation which governs certain terms relating to their employment. Each of these agreements remains in effect until termination by either party pursuant to its terms.

Ms. Box's employment with the Corporation commenced on February 24, 2014. Pursuant to Ms. Box's employment agreement, she will receive a base salary of \$475,000 per annum. Ms. Box received a one-time signing bonus of \$250,000. Ms. Box is eligible for a bonus each year. See "Executive and Other Compensation – Short Term Incentive Plan/Annual Bonus". For fiscal 2014, Ms. Box's bonus is guaranteed at a minimum of \$150,000. The Corporation has granted Ms. Box an option to acquire 400,000 Shares, with 80,000 of such options vesting on January 1, 2015 and each January 1 thereafter for the next four years, and with such options expiring 10 years after the date of grant.

Ms. Box's employment agreement provides that upon termination of her employment with the Corporation, without cause, she will be entitled to (i) a severance payment equal to 18 months base salary, payable on a regular payroll basis over the 18 months immediately following the date of termination, (ii) continue to participate in the Corporation's executive benefits plan and receive other allowances generally provided to senior executives of the Corporation for 18 months from the date of termination, and (iii) her options to acquire Shares, which will continue to vest and be exercisable for 18 months from the date of termination. Accordingly, termination without cause would result in an estimated incremental payment of \$848,000 to Ms. Box. Notwithstanding the foregoing, if Ms. Box replaces any benefits through alternative employment following the date of termination, then the Corporation will not be required to further continue such benefit. As a condition precedent to any termination/severance payment or benefits or allowances being made or provided, Ms. Box's employment agreement requires her to deliver a full and final general release in favour of the Corporation, its affiliates, subsidiaries and related organizations, and all of their respective shareholders, directors, officers and employees. Ms. Box's employment agreement contains certain customary non-competition, non-solicitation and confidentiality provisions in favour of the Corporation.

Mr. Sonnen's employment with the corporation commenced on June 9, 2014. Mr. Sonnen's employment agreement provides that upon termination of his employment with the corporation, without cause, his base salary will continue on a regular basis until the earlier of (i) 12 months from termination or (ii) the date of alternative employment. He will be entitled to a lump sum payment from company equal 50% of the balance of the severance/continuation payments not received. It is estimated that this arrangement would result in the incremental payment of \$215,000 to Mr. Sonnen in the event that he was terminated without cause.

Ms. Provato's employment with the Corporation commenced on July 7, 2014. Ms. Provato's employment agreement provides that upon termination of her employment with the Corporation, without cause, she will be entitled to a severance payment on the date of termination determined in an amount equal to six months base salary. This arrangement would equate to an estimated incremental payment of \$100,000 that the Company would make to Ms. Provato in the event of termination without cause.

The former President and Chief Executive Officer, Stacey Mowbray, ceased to be employed by the company in fiscal year 2013, with effect on February 21, 2014. Ms. Mowbray received a severance payment of \$685,376 in two installments in fiscal year 2014.

INDEBTEDNESS OF DIRECTORS

No Director, Nominee, officer of the Corporation or any of their associates is currently or was at any time during the fiscal year ended December 27, 2014, indebted to the Corporation and no indebtedness of such persons has been the subject of a guarantee, support agreement, letter of credit or other similar agreement provided by the Corporation.

DIRECTORS' AND OFFICERS' LIABILITY INSURANCE

The Corporation purchased directors' and officers' liability insurance during fiscal 2014 with a policy limit of \$40 million per occurrence in each policy year, subject to a deductible of \$25,000 per occurrence, in respect of claims made thereunder by the Corporation.

CORPORATE GOVERNANCE

The Corporation is committed to maintaining high standards of governance. The Corporation has continued to refine its governance practices in light of Canadian regulatory initiatives, particularly NI 58-101, National Policy 58-201, *Corporate Governance Guidelines* (“**NP 58-201**”) and National Instrument 52-110, *Audit Committees* (“**NI 52-110**”). The Corporation's current governance practices are disclosed below in accordance with NI 58-101. The information required by Form 52-110F1 of NI 52-110 is contained in the 2014 Annual Information Form under the heading “Audit Committee” and in Appendix A of the Corporation's 2014 Annual Information Form.

Board of Directors

The Board of Directors is elected by the Shareholders and is responsible for the overall stewardship of the affairs of the Corporation. The Board of Directors discharges its responsibilities directly and through its committees, currently consisting of the Corporation's Audit Committee and Governance Committee. The Board of Directors has adopted a mandate that sets out the role of the Directors. The text of this mandate is set out in Appendix A to this Circular. The Directors may, in respect of the assets of the Corporation, exercise any and all rights, powers and privileges that could be exercised by a legal and beneficial owner of those assets. The role of the Directors includes, among other things:

- reviewing and approving the strategic and annual plans of the Corporation;
- monitoring performance and providing reports to Shareholders as required;
- supervising the activities of the Corporation, including the investments of the Corporation; and
- approving payments of dividends from the Corporation to Shareholders.

The Directors will also supervise the application of the Corporation's written disclosure and insider trading policies. These policies, among other things:

- articulate the legal obligations of the Corporation, Directors, officers and employees with respect to confidential information;
- identify spokespersons of the Corporation who are authorized to communicate with third parties such as analysts, the media and investors;
- provide guidelines on the disclosure of forward looking information;
- require advance review of any disclosure of financial information with a view to ensuring that selective disclosure of material information does not occur; and

- establish “black-out” periods prior to and following the disclosure of quarterly and annual financial results during which the Corporation, Directors, officers and certain other persons may not purchase or sell Shares in the market.

A majority of the Directors must be independent within the meaning of NI 52-110. The Board of Directors is currently comprised of six Directors (all of whom have been nominated for election at the Meeting). The Board of Directors has determined that all of the Nominees other than Alix Box, the President and Chief Executive Officer of the Corporation, are independent within the meaning of NI 52-110 and NI 58-101. Each member of the Corporation’s Audit Committee will be an independent Director.

During the most recently completed financial year, the independent directors did not hold regularly scheduled meetings in the absence of Ms. Box, the non-independent director and sole member of management on the Board. To facilitate open and candid discussion among its independent directors, the Board’s independent directors are encouraged to, and do, communicate with each other directly to discuss ongoing issues pertaining to the Corporation. The Board is comprised of a majority of independent directors, who regularly attend Board and committee meetings, which also encourages open, candid discussion. Furthermore, important matters are considered by the Corporation’s Audit Committee and the Governance, Human Resources and Compensation Committee, which are both comprised entirely of independent directors.

In addition, from time to time as circumstances dictate, the non-independent directors and any representatives of management in attendance at meetings of the Board will be excused. It is anticipated that independent directors’ meetings will be held as deemed appropriate during 2015.

Directors also have the ability, where warranted, to engage outside professional advisors at the Corporation’s expense to assist in the fulfilment of their duties. The independent Chair is responsible for authorizing all requests for professional advisors by individual Directors, the Board or any committee of the Board.

As part of its mandate, the Governance Committee will review on an annual basis the contributions of the Directors and consider whether the composition of the Board of Directors promotes effectiveness and efficiency in its decision-making. As discussed below, the Governance Committee will assess the contribution and the performance of the Directors, both individually and collectively, and the standing committees of the Board of Directors.

Currently, there are no members of management on the Board of Directors other than Alix Box. On February 24, 2014, Ms. Box became the President and Chief Executive Officer and a Director of the Corporation.

The Corporation acknowledges the value of the contribution of women on the Board and in the ranks of our executive officers. Currently, one of the six members of the Board of Directors (or 17%) is a woman, being Alix Box, the Chief Executive Officer. Three of the executive officers (or 60%) are women, including both the Chief Executive Officer and the Interim Chief Financial Officer. While the Corporation has not adopted a written policy relating specifically to the identification and nomination of women Directors, the mandate of the Governance Committee ensures that the most suitable candidates are identified and nominated based on competency, integrity, skills and breadth of experience, regardless of gender. Specific targets have not been set regarding the level of representation of women directors; as such, the proportion of women on the Board of Directors does not influence the nomination of candidates.

Where warranted, Directors have the ability to engage outside professional advisors at the Corporation’s expense to assist in the fulfillment of their duties. The chair of the Board of Directors (the “**Chair**”) is responsible for authorizing all requests for professional advisors by individual Directors, the Board of Directors or any committee of the Board of Directors.

Position Descriptions

The Board of Directors has adopted a formal position description for both the Chair and the CEO. Both are designed to assist the Chair and CEO in delineating their respective roles and responsibilities.

The CEO's position description identifies the CEO's responsibilities, which include: leading the day-to-day operations of the Corporation in accordance with the strategic plan; developing a strategic plan for the Corporation; developing an annual operating plan and financial budget to achieve the Corporation's long-term strategy; developing or supervising effective disclosure and internal controls; and developing a positive and ethical work environment for the Corporation that attracts, retains and motivates high-value employees.

The Chair's position description identifies the Chair's responsibilities, which include: oversight of the Board of Directors in its discharge of its duties in the Board of Director's mandate; overseeing the distribution of information to the Board of Directors and presiding over board meetings; establishing procedures to govern the effective and efficient conduct of the Board of Director's work; acting as a liaison between the Board of Directors and management of the Corporation, where necessary; and representing the Corporation to Shareholders of the Corporation and other external groups.

The Directors have not developed written position descriptions for the chair of each committee. The Board of Directors of the Corporation believe that the charters of the Audit Committee and Governance Committee adequately delineate the roles of the chairs of such committees.

Orientation and Continuing Education

The Governance Committee oversees any orientation programs to familiarize new Directors with the affairs and operations of the Corporation, including: the Corporation's structure; financial, accounting and risk issues; compliance programs and policies; management of the Corporation; and the external auditors. The Directors of the Corporation have access to members of management of the Corporation and are provided with materials describing the Corporation's operations, strategic plans and financial results.

The Governance Committee also oversees continuing educational opportunities for all Directors, as necessary, so that as individuals the Directors' knowledge and understanding of the activities of the Corporation remains current.

Ethical Business Conduct

As part of the Corporation's commitment to effective corporate governance, all Directors and officers of the Corporation must act in accordance with the Corporation's Code of Conduct (the "**Code**"). The Code has been adopted by the Board of Directors and requires every Director, officer, and employee, as the case may be, to observe high standards of business and personal ethics as they carry out their duties and responsibilities. The Code is a guide that is intended to sensitize these individuals to significant legal and ethical issues that frequently arise and to the mechanisms available to report illegal or unethical conduct. The Code addresses ethical conduct, conflicts of interest and compliance with the law. The Code is administered by management although the Board of Directors has the ultimate responsibility for monitoring compliance with the Code, including granting any departures or waivers from the Code. A copy of the Code may be obtained on request from the administrative office of the Corporation at 6303 Airport Rd., 2nd Floor, Mississauga, Ontario, L4V 1R8.

Nomination of Directors

The Governance Committee of the Corporation is responsible for proposing new Director nominees and making recommendations to the Board of Directors. Directors are also encouraged to identify potential candidates and the Chair shall be consulted and have input into the process.

As part of its mandate, the Governance Committee determines the criteria, objectives and procedures for selecting members of the Board of Directors. In this process, the committee considers factors such as independence, integrity, skills, expertise and breadth of experience.

Renewal of Directors

The Governance Committee, in addition to identifying and nominating candidates for the Board of Directors, is also responsible for identifying the need to renew the Board. The Company has not adopted term limits relating to the duration of service of Directors as a mechanism of Board renewal. Alternatively, the Governance Committee performs a periodic review to determine whether or not changes are required to the composition of the Board of

Directors, and makes recommendations accordingly. The review for renewal considers such factors as Director competencies, skills and personal qualities, as well as the contributions made by each individual Director to the effective operation of the Board.

Compensation of Directors

The Governance Committee is responsible for reviewing Director compensation and ensuring that such compensation is competitive and aligns Directors' interests with those of Shareholders. The committee shall recommend the terms upon which Directors shall be compensated with a view to ensuring that the compensation accurately reflects the responsibilities they are assuming.

Assessments

The Governance Committee will coordinate an annual evaluation of the Board of Directors and all board committees to determine whether they are functioning effectively and meeting their respective objectives and goals. The committee reports to the Chair of the Board of Directors on the evaluation of the performance of the Board of Directors, and each committee. The objective of the assessments is to ensure the continued effectiveness of the Board of Directors and its committees in the execution of their responsibilities and to contribute to a process of continuing improvement. The committee may conduct surveys of Directors with respect to their views on the effectiveness of Board of Directors, the Chair of the Board of Directors, each committee and its chair, and the contribution of individual Directors. The committee further monitors the relationship between management and the Board of Directors and reviews the Corporation's governance structures to ensure that the Board of Directors and its committees are able to function independently of management of the Corporation.

Audit Committee

The Audit Committee for fiscal year 2014 consisted of Rael Merson (chair), Stephen Kelley, Michael Bregman. Following the resignations on December 20, 2013, the Audit Committee for the remainder of fiscal 2013 consisted of Rael Merson (chair), Michael Bregman and Stephen Kelley. All Directors who served on the Audit Committee in fiscal year 2014 are independent, as required by NI 52-110. The members of the committee are appointed by the Board of Directors from among its members annually, and as necessary to fill vacancies, and the Board of Directors generally appoints the chair of the Audit Committee.

All members of the Audit Committee are financially literate. An individual is financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Corporation's financial statements.

The committee is mandated to assist the Board of Directors in fulfilling applicable reporting issuer obligations respecting audit committees and its oversight responsibilities with respect to financial reporting. The committee assists the Board of Directors in overseeing, among other matters, the work of the Corporation's external auditors, the integrity of the Corporation's financial statements and financial reporting process, the qualifications and independence of the external auditors and the work of the Corporation's financial management and external auditors in these areas. The committee also provides an open avenue of communication between the external auditors, the Board of Directors, and management of the Corporation. The committee reviews and recommends to the Board of Directors for approval, the Corporation's annual and interim financial statements and related management's discussion and analysis and selected disclosure documents, including the Corporation's annual information form and any other financial statements required by regulatory authorities, before they are released to the public or filed with the appropriate regulators.

The Audit Committee is responsible for assessing and monitoring the integrity of the Corporation's financial reporting, accounting systems and internal controls and management information systems. The Audit Committee will also meet periodically with management of the Corporation to review the Corporation's major financial risk exposures and the policy steps management has taken to monitor and control such exposures.

Additional information relating to the Audit Committee and a copy of the Audit Committee's charter is set out in the latest annual information form of the Corporation.
